Dear Interested Party

Thank you for your interest in the Chequamegon-Nicolet National Forest. I am initiating the scoping for the Mountain Bike Parking Area and Trail Connector Project. This proposed action would create two parking areas for the mountain bike trail by building a connector to the Boulder Lake boat launch parking lot and by creating a parking area on the northern end. Information on this project is available at: [http://www.fs.fed.us/nepa/nepa\\_project\\_exp.php?project=56378](http://www.fs.fed.us/nepa/nepa_project_exp.php?project=56378)

The comment period ends 30 days from the date of this letter.

The Forest Service is requesting information, comments, and other assistance from Federal, State, and local agencies, tribes, landowners, and other individuals or organizations that have an interest in or could be affected by the proposed action. Specific comments are the most useful for the identification of issues and development and analysis of alternatives to the proposal.

All persons who provide comment, in response to this request will continue to receive information about this project and will be included in any additional public participation effort that may occur (however no additional participation is expected at this time). Those who do not respond will not receive additional information.

Comments received in response to this solicitation, including names and addresses of those who comment, will be considered part of the public record on these proposed actions and will be available for public inspection. Comments submitted anonymously will be accepted and considered; however, anonymous comments will not provide the agency with the ability to provide the respondent with subsequent environmental documents or standing for administrative review.

The Responsible Official is Mike Brown, District Ranger for the Chequamegon-Nicolet National Forest. Please send all comments to: Lakewood-Laona Ranger District, 15085 State Road 32, Lakewood, Wisconsin, 54138, Attention: Marilee Houtler. Faxed comments will also be accepted at 715-276-3594.
